

Modern Techniques Of Reading To Be Illustrated At H. & S.

Mrs. Booker, primary teacher will explain and illustrate the modern method of teaching reading as it is applied in the Didsbury school, at the regular Home and School meeting to be held on November 14th at 8 p.m. in the school auditorium.

Dr. McNicol will also be present to make arrangements for the First Aid Course which he will conduct in the near future.

Was it your little boy who asked of his mother, "Mummy, do you know any teacher?"

"I don't yet," she replied. "Why?"

"Because I don't see how you can both bring me up if you don't know each other," the small boy retorted.

So come along all parents and interested persons - bring your cup and pencil and enjoy the evening.

No Grain In The Arena; New Board Makes Decision

(From Our Own Correspondent)

The board of the Didsbury Memorial Community Centre has now been re-organized for the coming season with Mr. Tom Morris as chairman. The other members of the board are: C. Snyder, Harvey Gillrie and W. Cowan, representing the Legion; C. Sorenson, John Polkman and R. DuBois representing the Lions. Mr. Morris represents the curling club and councillor E. Pieper represents the town. The board considered the advisability of renting the rink for grain storage but in view of the fact that they could not get a contract for a definite time, or for a definite amount of grain to be stored, they unanimously decided against this course of action.

It is apparent from the financial statement (which will be published next week) that a large part of the revenue last year was derived from senior hockey. As there will be no League hockey this year it is imperative, if the rink is to operate,

that the public give it their support by purchasing season tickets with this in mind. Mr. Ben Hipkin has been employed by the Board to look after the sale of season tickets and to collect from those using the rink. He will be at the rink at all times when it is open to the public.

In conclusion the board wish to impress upon the public that this rink was built with their money and was made possible only by their co-operation. The board feels that if the public would co-operate to the extent where it was possible to build the rink they can reasonably count on their co-operation to keep it operating. This can be done if everyone will do their share but without this co-operation the board will not be able to keep it open. Buy your season ticket early. They will be the same price as last year, namely: Family tickets, \$10; Adults, \$6; Students, \$4; Children under 12 years, \$2.

Ramblin' . . .

WE UNDERSTAND that a pair of former Didsbury humber hockey players will wear the uniform of the Olds Elks this season. Could be it will be Morgan and Smith.

WE UNDERSTAND there are a lot of local golfers intending to make a few more rounds on the local golf course before Christmas. Maybe they have advance information from the weatherman.

WE UNDERSTAND, should we say we hope, the royal family romance will leave the front pages, for a short time at least.

WE UNDERSTAND there is a good brain-twister coming up — look elsewhere in this issue for details.

WE UNDERSTAND some local citizens have been worrying about bear-size footprints in the snow under their homes. Don't worry, it's just Barney's bear-size dog.

WE UNDERSTAND there was a young lad breaking empty pop bottles on the main stem recently. Reason given: he didn't need them anymore.

WE UNDERSTAND there will be an ice surface in the Memorial Arena this season. Seems like an opportune time to organize pee wee, midget and high school hockey. It could pay off in the long run.

WE UNDERSTAND the Carstairs voters went to the polls, 32 strong, and cast ballots 31 to 1 to join the Calgary Rural Hospital District. Sort of a kick in the face to the Didsbury hospital that has accommodated that area for so long and so faithfully.

WE UNDERSTAND Rita Hayworth (movie queen?) is asking for a divorce from her fourth, or is it her fifth husband. How silly can you get?

WE UNDERSTAND the new highway, east of the present No. 2 highway, is really nice to drive on. The road in from the present highway is good too — that is if you happen to be viewing it from a low-flying aeroplane.

WE UNDERSTAND it's time to go to work. See you next week!

"EVERY DAY FOLK"

A friend said on one occasion when they were moving to a new parsonage, she and her husband and little daughter walked over to see their church. On the way they passed a fine building with a sign reading "All Saints." There was no sign on their church and no name to say what congregation gathered there for worship nor when they gathered. The little girl still holding on to her father's hand, asked, "do you think we could have some saints, Daddy?"

On October 31st each year we celebrate Halloween with all kinds of pranks and parties. In doing so how many of us remember that Halloween is a short way of saying "saint's evening?" It is the evening before All Saints Day; an Ancient festival day of our Christian faith. Sometimes on Halloween our actions do not suggest much saintliness nor much of that spirit that we think of as belonging to saints.

Everyone of the sixty some odd children who called at the manse, could have been very much surprised if they had been called saints. However this can be said, every one of them behaved in a becoming manner and many of them said "Thank you" in as sincere a manner as any one could. I feel their thanks was just as sincere as was the thanks of saints when in days of yore they were given a piece of bread by the door. It must not be forgotten that many saints died this way, continuously, and on just such humble fare.

A Sunday school teacher asked, "Who is a saint?" Johnnie answered "a saint is a picture on a church window."

When I think of saints it is of men who were everyday people. Some were fishermen. St. Luke was a doctor. St. Paul was a brilliant university student, and afterwards a tent maker. St. Andrew was a man who bought and sold fish. St. George was an officer in an army. St. Joan or Arc was a farmer's daughter, mentioning only a very few. The fact remains they were all ordinary people, differing in this only, that they each lived in the way they believed the spirit of the living God was directing their lives. They were the same kind of beings as you and I but they set themselves "To do always those things which please Him." They lived continually in His Grace, striving always to become in character and in service like their master.

Sometimes in club work I give a boy some balsa wood and show him the picture of a perfect model plane. I then tell him there is just as perfect a model in the wood I hand him. It will be his privilege to get it out. He will need some tools and some instruction. There is a saint in every boy and girl who went out on October 31st. Shouting "Tricks or Treats." It is their privilege; having committed themselves to the God of all Grace; and through the consistent use of Bible study, prayer, and in service to others; which reflects the love of God for man, as Jesus made that love known; become saints; people the world will always love to remember. In the parable it was a sheep not a lamb that went astray.

Stampeders Talk

CALGARY — "We have a good team, we're going to win a lot of games." This was the statement made by manager-coach Frank Currie after his Stampeders had dropped a 5-4 verdict to Saskatoon Quakers in the last second of play a while back.

Currie qualified his statement by adding that all was needed was for Ray Frederick to settle down, to follow the play all the time and get down to business. The fans were down on Frederick that night and, on the surface, there was good cause for their derogatory remarks. Ray wasn't sparkling, he wasn't showing as much life as had Doug Stevenson in the first three games of the season.

Maybe all Ray needed was a good name under his belt, away from home. He got it when the Stampeders trounced Regina Regals a couple of nights later, 8-1. He came back home to record successive shutouts against Vancouver and Edmonton, 2-0 and 5-0. It appeared that Ray was starting to live up to his reputation.

The introduction of four rookies may have had something to do with it, but it is highly evident that the Cowboys are full of jitter, even though their successes on home grounds have not been as frequent as they could have been. It is highly pleasing to see fellows like Sid Finney and Doc Couture, two sharpshooters, handle their share of the back-checking when they're on the ice.

Doc Couture has never been a flashy hockey player, even for hometown fans, but he is still highly effective and spirited. Doc goes both ways even though his cumbersome skating style makes him out to be a jouster. His strength is amazing. He led the Calgary scoring parade last season and he's doing his best to repeat this year. He's been robbed of sure goals on several occasions, but the breaks will come his way — sooner or later.

Finney showed outstanding spirit and strength in his first goal against Edmonton Friday. Not only was he lying on the ice in front of the goal, but he also had two defenders on his back. He still controlled the rubber, save it a flip and found the range.

BERGEN NOTES

(From Our Own Correspondent)

The Ladies Aid met Thursday at the home of Mrs. Rosa Ellis for their regular meeting and a quilting bee. A pot luck dinner was enjoyed at noon.

November 25 was the date set for the annual sale of work to be held in the evening at the Bergen hall. Pie, hot dogs and coffee will be sold. The next meeting will be December 1st, one week later than usual, at the home of Mrs. Ratcliff.

One of Young Exploration Co.'s explosive trucks was resting upside down having failed to make the curve in the road ½ mile north of the Bergen store.

Best wishes are extended to Grand-ma Halvorson who is a patient in the Didsbury Hospital.

Mrs. L. Ratcliff underwent an operation in the Olds hospital last Thursday.

Mothers and pupils enjoyed a fine Halloween party at the Bergen school on Friday afternoon.

Dark, dreary days depress canaries, too. They just don't feel like singing. But now—good news for canary coloratura! If they'll arrange to have the bottom of their cages lined with aluminum, they'll sing through the darkest day. The light reflected from the sparkling metal foil gives their souls that springtime lift.

People find endless household uses for aluminum foil. So does industry—for everything from fire-fighting clothing to photo-flash bulbs, to wrapping for candy and food. Canada used 8 million pounds of foil last year. ALUMINUM COMPANY OF CANADA, LTD. (ALCAN.)

Nov. 16th is Jubilee Day

The co-operation of Alberta farmers will determine the success of this very important Farmers' Union membership drive. The issue is squarely up to the farmers to take this opportunity to build a strong Farmers' Union.

U.F.A. Co-op, organized by farmers to serve farmers in the farm supply field, is keenly interested in the development of a strong Farmers' organization. To get a fair deal for agriculture it is essential to have a farm organization with a membership representing the majority of the Farmers of Alberta.

U.F.A. Co-op strongly urges all its members to play a part in Jubilee Day. Join the Farmers' Union of Alberta. Get your neighbors to join.

SCREENINGS: During the next months farmers will be transporting screenings from seed grain or bulk screenings to be used as livestock feed. Many weed seeds will be scattered along the roadways unless tarpaulins are used to cover the trucks. These seeds are light and are easily blown from an open box or fall on the roadsides from where they drift onto cultivated land. Regulations under the Noxious Weeds Act require that each person who intends to haul screenings will need a permit to do so or else leave themselves open to prosecution under the provision of the Noxious Weeds Act. All screenings should be moved in a tight grain box well covered with a tarpaulin or in bags. Those who are planning to feed screenings to livestock must have a feeding permit from the Field Supervisor or Weed Inspector for the area or from the Field Crops Branch, Department of Agriculture at Edmonton.

Such a permit will not be issued unless the animals are fed in a proper enclosure and confined to a relatively small area. We spend dollars every year to fight weeds on farm lands. This may be a case of where "A Stitch in Time Saves Nine" if proper care is exercised in the handling of weed seeds and screenings.

The Province of Alberta The Pipe Line Act, 1952 Notice of Hearing

TAKE NOTICE that a public hearing will be held by The Petroleum and Natural Gas Conservation Board at the Court House, Calgary, Alberta, on Tuesday, the 22nd day of November, 1955, at the hour of 9:30 o'clock in the morning, for the purpose of hearing representations concerning the application of The Alberta Gas Trunk Line Company Limited for a permit to construct a gas transmission system to transport gas from various fields in the Province of Alberta to the western terminus of the proposed gas transmission line of Trans-Canada Pipe Lines Limited, at or near the Alberta-Saskatchewan border (hereinafter called the "Saskatchewan Gate"), on the routes described approximately as follows:

"Commencing at a point in Section 11, Township 20, Range 1 West of the 4th Meridian, in the Province of Alberta, and herein referred to as the 'Saskatchewan Gate', and proceeding in a westerly direction approximately 11 miles to a point described herein as the 'Provost Junction', thence in a northerly direction from the Provost Junction to field collection points for the Bundose and Owen fields and the collection point for the Provost area, including a lateral line to a field collection point the Sibbald Field; and from the Provost Junction in a westerly to a field collection point for the Altie-Buffalo Field and thence westerly to a point approximately 64 miles west of the Saskatchewan Gate which point is herein referred to as the 'Pincher Creek Junction'; and thence westerly to field collection points for the Princess, Duchess and Countess Field, and from the Pincher Creek Junction in a south-westerly direction to a field collection point for the Pincher Creek Field; and from the Pincher Creek Junction in a north-westerly direction to field collection points for the Cesford, Nevils and Home-glen-Rimby Fields."

In its application the applicant states that if and when the permit applied for therein is granted the applicant will surrender, or will con-

Large Crowd Attend Innisfail Horse Sale

On October the 28th the first Annual Innisfail Horse Sale was held. A crowd of 800 people jammed into the new Innisfail Auction Mart. This Mart is the newest and most modern up-to-date in the province. They sold their weekly sales every Wednesday at 11 o'clock. The auctioneers are Snowdon, Daines, Innisfail, Bert Lockhart, Bowden, Raymond Shantz, Didsbury. 20 head of all types of horses went through the sales ring. Mr. Gus Lollight of Benalto sold the highest priced team for \$240 auctioned by Raymond Shantz. Mr. W. Moore of Innisfail sold a very nice team of 6 and 7 year-old blacks for \$215. Mr. Charlie Parker of Penhold sold a saddle horse for \$101. The average price per horse was \$70. Mr. Tony Zeigler of Edmonton was the largest buyer.

A carload of horses was shipped to Montreal immediately after the sale.

This past week Kenneth Shauers of Alx, Alberta, registered for the fourth year of College work which leads to the B.S.L. Degree. He is diligently catching up with his Greek during the days when Mr. Taylor is absent. Some of the fellows are reviewing just as diligently and giving Ken all the help possible. That is the spirit of the College.

Rev Ray Shantz was chapel speaker on Friday morning. We always appreciate having him come to us. He takes one chapel each month.

President Taylor is expected to return on Tuesday. All of us will be most happy to see him. While in Kitchener, he celebrated his birthday. Faculty and students sent a telegram of best wishes to be read to him from the General Conference floor. We are anxious to hear what he has to say about it.

Mrs. Taylor, Sherri and Keith motored to Edmonton to visit relatives and friends over the weekend.

Many of the students spent the weekend with relatives and friends. This is possibly the only weekend they can spend in this way for some time, for the Gospel Service League group, will begin their work as they visit many of the surrounding churches on Sunday.

On Friday evening the College students had their first social evening. Earl Reimer, chairman of the Social Committee of the College directed a very interesting program, and all who attended spent a most enjoyable evening. Delightful refreshments were served.

This coming Friday will be Open House. Every one is getting ready for that occasion, and we trust that many friends will attend. Remind each other of the occasion, won't you?

All of us regret that Mrs. Sam Eby is a patient at the local hospital. Both she and her husband have put in many hours of helpful work here, and they are indeed sacrificial in their time and efforts as they help with the work around the College from time to time.

Mrs. Suder from Edmonton is a visitor with her daughter-in-law, Mrs. Lydia Suder for a number of days. She has been visiting in the community some during the past days, and reports that each day is full of activity. On Friday evening she and Mrs. L. Suder were guests of Miss Gladys Eby for dinner.

Rev. Bob Simpson showed a film to the students of the College on Thursday afternoon. It was entitled, "The Heathen Rage" and was most illuminating. Students who saw it will never again wonder why missionaries need furloughs in order to go back to continue their strenuous duties.

The College was given a quart of venison by friends recently. This is different, and we do want to say thank you to those who so kindly thought of us.

Mrs. Kasey and Miss Eby were in Calgary on Saturday. It was a beautiful day, and they enjoyed the drive greatly. It was refreshing after the heavy schedule of the week.

WESTCOTT NEWS

(From Our Own Correspondent)

Mrs. Ken Card and son Kim are staying with Mrs. Card's parents until their house is vacant in Calgary where the Cards will make their new home.

Among those out hunting big game are Mr. Otto Folkmann and Mr. Dave McEwan. Mr. Joe Whyte, Mr. and Mrs. Linden Jacobson and Mr. Leslie Goetjen, the latter is in company with his uncle Mr. Hubert Papke of Big Prairie.

Miss Dorothy Schneider of Calgary was a weekend visitor with her sister and brother-in-law and family, Mr. and Mrs. Fred Goetjen.

Mrs. K. Goetjen of Didsbury is visiting with her son and daughter-in-law, Mr. and Mrs. Fred Goetjen. Little Pearl Goetjen is again being treated at the Cerebral Palsy Clinic in Calgary and has progressed well enough to be promoted to Grade III in her schooling.

Mrs. Ken Folkmann and baby daughter of Calgary are staying with her mother-in-law while the latter's husband is away hunting.

A lot of the men-folk in the districts around have been waging quite a coyote hunt, they have killed five on the farm of Lyle Good. We see there is activity at the Westcott rink, as some of the community-minded folk are preparing the rink for the skating season. It is expected with ice-making weather the rink will soon be open for usual activities. Watch for announcements.

Miss Mariene Vipond was home from Calgary for the weekend.

Mr. Howard Robertson is now attending Tech school in Calgary.

Jim: "Why is your car painted red on one side and blue on the other?"

Joe: "Well, I'm not a very good driver, and you ought to hear the witnesses contradict each other in court."

WEST NOTES

(From Our Own Correspondent)

Mrs. Banting Sr., and Mr. and Mrs. L. Banting went to Joffre last Thursday to visit Mr. and Mrs. L. Papke. They report piles of snow. The plows had been working but the school bus had been tied up for 3 days.

Mr. and Mrs. J. Bagshaw and Mr. and Mrs. C. Byrt were among those who attended Lions in Calgary last Wednesday evening. Mrs. Byrt won a small record prize as a play-off prize.

Mr. and Mrs. Arnold Hogg spent Sunday with Mr. and Mrs. C. Wilson west of Cremona.

Mrs. L. Banting visited Mrs. A. L. Hogg on Sunday, the latter being on the sick list.

Mrs. G. Befus was a Calgary visitor for two or three days at the beginning of the week.

POPULATION INCREASE

The population of the United States is now roughly 165 million and births are exceeding deaths by one every 12 seconds.

Notes From D.A.

By Howard Fulcher

There are a number of new varieties of barley which have been developed in the last few years. I have had a number of inquiries as to their merits and demerits, four which may not be well known to everyone are: Gateway, Wolfe, Huskey and Vantage.

Gateway was developed by the University of Alberta by crossing Olli with Olli-Newall cross. It is a very early barley, large kernels and has good weight per measured bushel. It is moderately susceptible to the smut, it has only moderate straw strength. Gateway is a heavy yielding barley and appears well suited for black and grey wooded soils.

Wolfe was developed at the Lacombe Experimental Farm. It has Sunalta, Titan, Montcalm and Olli parentage. It is an early barley, with a strong straw, the heads stand quite erect. It has outyielded Olli barley and seems well adapted to central Alberta. This variety is quite susceptible to the current races of smut.

Huskey was produced at the University of Saskatchewan, is a Peabody Regal cross this crossed with O.A.C. 21 and again crossed with Newall. It is resistant to stem rust, and shows some resistance to covered smut but is susceptible to loose smut and leaf rust. It has fairly strong straw and is quite adaptable to various different soils and climate conditions.

Huskey is a high yielding barley. Vantage was developed at Brandon, it was developed from Vantage and the main feature over Vantage is its resistance to stem rust. It is recommended for Manitoba and Eastern Saskatchewan because of this feature otherwise it is very like Vantage.

All these varieties are 6 row smooth awned feed barleys.

IN MEMORIAM

In loving memory of our dearly beloved baby, Clifford Everett Wright who died November 8, 1954.

If only the sky could open, And his dear little face we could see.

Oh, what a wonderful feeling I know would come over us. But he is with the angels, Far from sin and pain,

Where Jesus said: "Believe in me And thou shalt see him again."

Sadly missed by his parents and Grandparents.
